1. The "Special Small Service Team for the Nationalist Troops on Phu Quoc Island", organized jointly by the United Front Department of the South China Sub-Bureau and the Southern Vietnam War Area Command of the Viet Minh, was recently ordered to intensify its activities against the Nationalist troops on Phu Quoc Island to prevent them from being used against the Viet Minh or for an attack on Kwangsi. This team is using the following tactics:
 - a. Infiltrating the island with Nationalist soldiers who deserted to the Viet Minh areas to influence comrades who remain loyal to the Nationalists.
 - b. Urging former Nationalist troops now in Viet Minh regions to write personal letters requesting the men on Phu Quoc Island to join the Viet Minh.
 - c. Urging dependents to write letters requesting the Nationalist troops on Phu Quoc to return home.
 - d. Distributing large quantities of propaganda publications printed by the Vietnam-China Liberation Federation (Hueh Hua Chieh Fang Lien Ho Hui 越華解放連合會).
2. On 11 January 14 large truck-drawn artillery pieces were moving along the highway from Chinhshi (106-25, 23-09) to Caobang. They were escorted by five armored vehicles.
